MAPLETREE INVESTMENTS PTE LTD
ANNUAL REPORT 2023/2024

ABOUT THE COVER

Mapletree’s third Five-Year Plan saw the Group navigating a dynamic and challenging landscape anchored by strategic leadership, sheer determination and a shared vision. As the Group looks ahead to the future, it plans to cast a wide net to reel in diverse opportunities.

The cover art draws inspiration from B. Jane Cowie’s sculptural artwork ‘Swirling Surround’, a composition featuring vibrantly coloured glass fish, which evokes the multicultural tapestry of our society.
